Explanatory notes on the resolutions which we will be proposing at the AGM

Resolutions 1 to 13 (inclusive) and resolution 18 will be proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, more than 50% of the votes cast must be in favour of the resolution. Resolutions 14 to 17 (inclusive) will be proposed as special resolutions. This means that, for each of those resolutions to be passed, not less than 75% of the votes cast must be in favour of the resolution.

Resolution 1: Receiving the Annual Report and Accounts

The Directors will present to the shareholders at the AGM the accounts for the year ended 31 May 2023, together with the Strategic Report and the reports of the Directors and the auditor.

Resolution 2: Approving the Directors' Remuneration Report (other than the Directors' remuneration policy)

The Directors' Remuneration Report is included in full on pages 115 to 137 of the Company's 2023 Annual Report and Accounts (the '2023 Annual Report') and provides details of the remuneration paid to the Directors in respect of the year ended 31 May 2023. For the purposes of this resolution, this does not include the parts of the Directors' Remuneration Report containing the Directors' remuneration policy, which is set out on pages 131 to 137.

In accordance with the Companies Act 2006 (the 'Companies Act'), this resolution to approve the Directors' Remuneration Report (other than the Directors' remuneration policy) is advisory only and therefore no entitlement to remuneration is conditional on it.

Resolution 3: Declaring a final dividend

Final dividends are to be approved by shareholders. However, they cannot be more than the amount the Board recommends. The Board is recommending a final dividend of 3.15p per ordinary share for the year ended 31 May 2023. If shareholders approve the recommended dividend, it will be paid on 8 December 2023 to shareholders on the register at close of business on 10 November 2023.

Resolutions 4 and 5: Reappointment and remuneration of the auditor

The auditor of the Company is required to be appointed or reappointed at each AGM at which accounts are presented. An assessment of the effectiveness, independence and objectivity of the auditor has been undertaken by the Audit Committee, which has recommended to the Board that KPMG LLP be reappointed as auditor. The Board confirms that: (1) the recommendation is free from influence by a third party; and (2) no contractual term of the kind mentioned in Article 16(6) of the EU Regulation 537/2014 has been imposed on the Company. Accordingly, shareholder approval is being sought pursuant to resolution 4 to reappoint KPMG LLP as auditor of the Company.

Resolution 5 proposes that the Audit Committee be authorised to determine the level of the auditor's remuneration.

Resolutions 6–12: Election or re-election of Directors

Under the Company's Articles of Association (the 'Articles'), Directors appointed by the Board are required to submit themselves for election at the first AGM following their appointment. Also, in accordance with the UK Corporate Governance Code every other Director will stand for re-election at the AGM.

Biographical details of each Director standing for election or re-election can be found on pages 88 and 89 of the 2023 Annual Report together with their skills and experience which support the reasons why their contributions are, and continue to be, important to the Company's long-term sustainable success.

The Board supports the election or re-election of each Director, as it believes that the particular knowledge and experience of each Director, as described in their biographies as set out in the 2023 Annual Report, assist in ensuring that the Board has an appropriate balance of skills and experience for the requirements of the business. The Board has confirmed, following a performance review, that each of the Directors standing for election or re-election continues to perform effectively and demonstrates commitment to their role. The Board has considered whether each of the Non-Executive Directors is free of any relationship that could materially interfere with the exercise of their independent judgement and has determined that each Non-Executive continues to be considered independent.

Resolution 13: Granting the Directors authority to allot shares

Generally, the Directors may only allot shares in the Company (or grant rights to subscribe for, or to convert any security into, shares in the Company) if they have been authorised to do so by shareholders.

Resolution 13 renews a similar authority given at last year's AGM and is in two parts.

In line with guidance issued by the Investment Association, if passed, paragraph 13(a) of resolution 13 will authorise the Directors to allot shares in the Company (and to grant rights to subscribe for, or to convert any security into, shares in the Company) up to an aggregate nominal amount of £1,040,429 (representing 104,042,900 ordinary shares). This amount represents approximately one-third of the issued ordinary share capital of the Company as at 26 September 2023 (being the latest practicable date before the publication of this document).

In addition, if passed, paragraph 13(b) of resolution 13 will authorise the Directors to allot ordinary shares in the Company (and to grant rights to subscribe for, or to convert any security into, ordinary shares in the Company) in connection with a rights issue only up to a further aggregate nominal amount of £1,040,429 (representing 104,042,900 ordinary shares). This amount represents approximately one-third of the issued ordinary share capital of the Company as at 26 September 2023 (being the latest practicable date before the publication of this document).

If given, these authorities will expire on the earlier of the conclusion of the Company's 2024 AGM, or 28 February 2025. It is the Directors' intention to renew the allotment authority each year.

As at the date of this document, no ordinary shares are held by the Company in treasury.

The Directors have no current intention of allotting new ordinary shares other than in relation to the Company's share schemes. However, the Directors consider that it is in the best interests of the Company to have the authorities available so that they have the maximum flexibility permitted by institutional shareholder guidelines to allot shares without the need for a general meeting should they determine that it is appropriate to do so to respond to market developments or to take advantage of business opportunities as they arise. The Board recommends that this authority be renewed.

Explanatory notes on the resolutions which we will be proposing at the AGM

continued

Resolutions 14 and 15: Disapplication of pre-emption rights

Generally, if the Directors wish to allot new shares or other equity securities (within the meaning of section 560 of the Companies Act 2006) for cash, then under the Companies Act 2006 they must first offer such shares or securities to shareholders in proportion to their existing holdings. These statutory pre-emption rights may be disapplied by shareholders.

Resolutions 14 and 15, which will be proposed as special resolutions, will enable the Directors to allot equity securities for cash or sell treasury shares for cash without first offering them to shareholders pro rata to their existing holdings. The resolutions take a similar form to the resolutions passed at last year's AGM.

The powers proposed under resolution 14 will be limited to allotments or sales of ordinary shares:

- (a) in connection with a rights issue, open offer or other pre-emptive offer to ordinary shareholders and to holders of other equity securities (if required by the rights of those securities or the Directors otherwise consider necessary), but (in accordance with normal practice) subject to such exclusions or other arrangements, such as for fractional entitlements and overseas shareholders, as the Directors consider necessary; and
- (b) in any other case, up to an aggregate nominal amount of £156,064 (representing 15,606,400 ordinary shares). This amount represents approximately 5% of the issued ordinary share capital of the Company as at 26 September 2023 (being the latest practicable date before the publication of this document).

This resolution renews the authority obtained at last year's AGM. If given, the authority granted under resolution 14 will expire on the earlier of the conclusion of the AGM of the Company to be held in 2024, or 28 February 2025.

The powers proposed under resolution 15 will be limited to allotments or sales of ordinary shares:

- (a) up to an aggregate nominal amount of £156,064 (representing 15,606,400 ordinary shares). This amount represents approximately 5% of the issued ordinary share capital of the Company as at 26 September 2023 (being the latest practicable date before the publication of this document); and
- (b) may be used only for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this Notice.

This resolution renews the authority obtained at last year's AGM. If given, the authority granted under resolution 15 will expire on the earlier of the conclusion of the AGM of the Company to be held in 2024, or 28 February 2025.

In accordance with the Pre-Emption Group's Statement of Principles, the Directors confirm that they do not intend to issue more than 7.5% of the issued ordinary share capital of the Company on a non-pre-emptive basis (except in connection with an acquisition or specified capital investment as referred to above) in any rolling three year period without prior consultation with shareholders. As noted in relation to resolution 14 above, the Directors have no current intention of issuing ordinary shares other than in relation to the Company's employee share schemes.

Resolution 16: Authority to purchase own shares

The Directors believe it is in the interests of the Company and its shareholders to have the flexibility to purchase its own shares and this resolution seeks authority from shareholders to do so.

Resolution 16, which will be proposed as a special resolution, renews a similar authority given at last year's AGM. The Directors presently have no intention of exercising the authority sought under resolution 16 but consider the authority desirable to provide maximum flexibility in the management of the Company's capital base. If passed, and in considering whether to use this authority, the Directors will take into account factors including the financial resources of the Company, the Company's share price and future funding opportunities. The Directors would only use this authority if they believed that to do so would result in an increase in earnings per share and promote the success of the Company for the benefit of its shareholders as a whole. If any purchases of ordinary shares are made pursuant to this authority, it is intended that such ordinary shares will either be cancelled, held in treasury or used to satisfy options exercised under the Company's share schemes, in each case in accordance with the provisions of the Companies Act 2006. While held in treasury, the shares are not entitled to receive any dividend or dividend equivalent (apart from any issue of bonus shares) and have no voting rights. The Directors will have regard to institutional shareholder guidelines which may be in force at the time of any such purchase, holding or resale of shares held in treasury. Any purchases of ordinary shares would be by means of market purchases on the London Stock Exchange.

This resolution would be limited to 31,212,800 ordinary shares, representing approximately 10% of the issued equity share capital of the Company as at 26 September 2023 (being the latest practicable date prior to publication of this document). The authority also sets minimum and maximum prices at which shares may be bought. The renewed authority will remain in force until the earlier of the conclusion of the Company's 2024 AGM, or 28 February 2025. The Directors intend to seek renewal of this power at each AGM.

The total number of options to subscribe for ordinary shares for all share schemes of the Company which were outstanding as at 26 September 2023 (being the latest practicable date prior to publication of this document) was 12,492,076, which represents approximately 4.00% of the Company's issued share capital and would represent 4.45% of the Company's issued share capital if the full authority to repurchase ordinary shares as proposed by resolution 16 was exercised.

As at 26 September 2023 (being the latest practicable date prior to publication of this document), the Company holds no shares in treasury.

Resolution 17: Notice of general meetings

Resolution 17 enables the Company to hold general meetings (other than AGMs) on 14 clear days' notice. The Articles currently permit such notice period, but this resolution is required in order to comply with the Shareholders' Rights Regulations.

The Company intends only to use the shorter notice period where the flexibility would be helpful given the business of the meeting and where the Company considers it is to the advantage of the shareholders as a whole. In accordance with the Companies Act 2006, the Company must make a means of electronic voting available to all shareholders for that meeting in order to be able to call a general meeting on less than 21 clear days' notice.

If passed, the resolution will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

Resolution 18: Political donations

Resolution 18 deals with political donations. Under the Companies Act 2006, political donations to any political parties, independent election candidates or political organisations or the incurring of political expenditure are prohibited unless authorised by shareholders in advance. What constitutes a political donation, a political party, a political organisation or political expenditure is not easy to decide, as the legislation is capable of wide interpretation. Sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties and support for bodies representing the business community in policy review or reform may fall within this.

Therefore, notwithstanding that the Company has not made a political donation in the past, and has no intention either now or in the future of making any political donation or incurring any political expenditure in respect of any political party, political organisation or independent election candidate, the Board has decided to put forward resolution 18. This will allow the Company to support the community and put forward its views to wider business and government entities without running the risk of being in inadvertent breach of the law. As permitted under the Companies Act 2006, resolution 18 also covers any political donations made, or political expenditure incurred, by any subsidiaries of the Company. This authority will expire at the end of the next AGM of the Company.

 - (b) to the allotment of equity securities or sale of treasury shares (otherwise than pursuant to sub-paragraph (a) above), up to an aggregate nominal amount of £156,064,

and such power shall expire on the earlier of the conclusion of the 2024 Annual General Meeting of the Company, or 28 February 2025, save that the Company may before such expiry make an offer or agreement which would or might require equity securities to be allotted or treasury shares to be sold after such expiry, and the Board may allot equity securities or sell treasury shares in pursuance of such an offer or agreement as if the power conferred by this resolution had not expired.

17. That a general meeting of the Company other than an Annual General Meeting may be called on not less than 14 clear days' notice.

18. That in accordance with sections 366 and 367 of the Companies Act 2006, the Company and all companies which are subsidiaries of the Company at the date on which this resolution 18 is passed or during the period when this resolution 18 has effect be generally and unconditionally authorised to:

- (a) make political donations to political parties or independent election candidates not exceeding £25,000 in total;
- (b) make political donations to political organisations other than political parties not exceeding £25,000 in total; and
- (c) incur political expenditure not exceeding £25,000 in total,

(as such terms are defined in the Companies Act 2006) during the period beginning with the date of the passing of this resolution and ending at the end of the next Annual General Meeting of the Company provided that the authorised sum referred to in paragraphs (a), (b) and (c) above may be comprised of one or more amounts in different currencies which, for the purposes of calculating the said sum, shall be converted into Pounds Sterling at the exchange rate published in the London edition of the Financial Times on the date on which the relevant donation is made or expenditure incurred (or the first business day thereafter) or, if earlier, on the day in which the Company enters into any contract or undertaking in relation to the same provided that, in any event, the aggregate amount of political donations and political expenditure made or incurred by the Company and its subsidiaries pursuant to this resolution shall not exceed £75,000.

Notes

1. In order to attend and vote at the Annual General Meeting (AGM) you must comply with the procedures set out in these notes by the dates specified in this Notice and accompanying notes.
2. Any member entitled to attend and vote at the AGM is entitled to appoint one or more proxies to exercise any or all of their rights to attend, speak and vote at the AGM. A form to be used for appointing a proxy or proxies for this AGM will be sent to you (the 'Proxy Form'). Please complete and return the Proxy Form whether or not you intend to attend the AGM in person. The return of the Proxy Form will not prevent you from attending and voting at the AGM if you so wish. You can appoint the Chair of the AGM to act as your proxy or ask one or more persons of your choice to be your proxy. Your proxy does not have to be a shareholder of the Company. There are notes on the Proxy Form explaining how you should complete it.
3. Voting on all resolutions will be conducted by way of a poll, rather than on a show of hands. This is a more transparent method of voting as shareholders' votes are counted according to the number of shares registered in their names. The total voting rights in the Company as at 26 September 2023 were 312,128,892.
4. To be valid, the completed Proxy Form must be received by the Company's Registrar, Equiniti, by no later than 9.00 am on Tuesday 28 November 2023 and should be addressed to Freepost RTHJ-CLLL-KBKU, Equiniti, Aspect House, Spencer Road, Lancing BN99 8LU.
5. Arrangements for the appointment of a proxy and proxy instructions will be made available to all members who are registered in the register of members of the Company at the close of business on Tuesday 28 November 2023. If you have any questions in relation to your proxy appointment, please contact the Company's Registrar, Equiniti, on +44 (0)371 384 2679. If calling from outside the UK, please ensure the country code is used. Lines are open 8.30 am to 5.30 pm Monday to Friday excluding public holidays in England and Wales.
6. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with CREST's specifications and must contain the information required for such instructions, as described in the CREST Manual, which can be viewed at www.euroclear.com. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by 9.00 am on Tuesday 28 November 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that there are no special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 9.00 am on Tuesday 28 November 2023 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

7. You may not use any electronic address provided either in this Notice or any related documents (including the Proxy Form) to communicate with the Company for any purposes other than those expressly stated.
8. The right of members to vote at the AGM is determined by reference to the Company's register of members (the 'Register'). The Company has set a time and date for eligibility to attend the AGM. This year, only those shareholders registered at 6.30 pm on Tuesday 28 November 2023 will be eligible to attend or vote at this AGM. 11. Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
12. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member, provided they do not do so in relation to the same shares.
13. Under sections 338 and 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company: (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which those members intend to move (and which may properly be moved) at the meeting; and (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may properly be included in the business at the meeting. A resolution may properly be moved, or a matter properly included in the business, unless: (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of any inconsistency with any enactment or the Company's constitution or otherwise); (b) it is defamatory of any person; or (c) it is frivolous or vexatious. A request made pursuant to this right may be in hard copy or electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authenticated by the person(s) making it and must be received by the Company not later than six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
14. The information required by section 311A of the Companies Act 2006 to be published in advance of the meeting, which includes the matters set out in this Notice and information relating to the voting rights of shareholders, is available at www.nccgroupplc.com/investor-relations.
15. Shareholders have the right to ask questions at the meeting relating to the business being dealt with at the meeting in accordance with section 319A of the Companies Act 2006. The Company must answer any such question unless:
 - (a) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information; or
 - (b) the answer has already been given on a website in the form of an answer to a question; or
 - (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
16. Shareholders should note that it is possible that, pursuant to requests made by shareholders of the Company under section 527 of the Companies Act 2006, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
17. As at 26 September 2023 (being the latest practicable date prior to publication of this document) the Company's issued share capital consists of 312,128,892 ordinary shares of 1p each. The Company holds no ordinary shares in treasury.
